Looking to enroll a few more kiddos in my busy bee's state certified childcare! Let me tell you a little about myself and my program, my name is Ashley and I have 10 years experience working with children in a preschool/childcare setting. I have 60 credits from PCC in their early childhood education program, CPR/first aid, food handlers, and am always continuing my education. I am enrolled in the nutrition first program (USDA) ensuring your children are eating healthy foods.

Teaching and caring for children has always been my passion! Children will do preschool projects every day. We do song time and calendar time every day along with writing and reading And of course lots of free play and room to learn by exploring!

Busy Bee's will be open from 6am to 6pm Monday through Friday. Ages range from 6 weeks to 12 years. I am in crater district and do before and after school care. I also accept DHS payments. If this sounds like a good fit for your family please give me a call at or e-mail me and I can tell you more about my:)
