Im looking for a couple of general labor workers to sort and load wood from a location in a few old barns. I will supply gloves. You will need work clothing and boots. I will be using you for several weeks to a couple months. If you use drugs and cannot pass a UA as well a blood drawn test than please don't waste both our times. Our company requires us to send you out to Urgent care clinic before hiring it takes 24 hours for results. You also need transportation . I have a zero tolerance policy on drugs, alcohol, and theft. If you have a good work ethic and can show up on time , be honest and want a reasonable job that based on your performance could last several weeks ...please text me after 7pm but NOT AFTER 10PM, and never before 8am. I will return calls but text me your info first... I run background checks on anyone that applies , Our Company will need a copy of a current DLand a signed application.
