Hello! I am a mom to a very happy 1 year old boy. I have years of experience nannying and working in a daycare center in the infant and mobile infant classrooms. I also worked with the elderly population for over 10 years. I am looking to care for one more child (preferably about 12 months or older) in my home in Williston. I like to think of this as a mix of nanny care and a daycare. Because I only plan to take in up to two children per day, they will get plenty of attention and we can go on outings to music programs, parks, the library, and more! I have a large fenced in backyard and a great neighborhood to take walks around!

My hours are Monday-Friday 7:30-5:30. Please email me about rates. I look forward to hearing from!
