Are you looking for a small setting where your child feels like part of a family? In my program, I offer an emergent curriculum where your child is offered a balance of teacher directed instructions (circle-time, reading & projects) and free play that allows your child to engage with others or on their own while using their imaginations through-out the classroom (dramatic play area, rice/sand table, climbing structures, blocks, cars/trucks, books, puzzles & more).

I've been teaching for 12 1/2 years and currently have 3 STARS and a member of the FCC. I serve breakfast, lunch and afternoon snack.
 Hours are 7:30am - 5:15pm

Current opening is full-time for a child 1yr or older.

Thank!
