

# Tiny House Land for Rent (Southern VT)

Location **Vermont**  
<https://www.genclassifieds.com/x-330805-z>

Master Carpenter with a passion for sustainable living and his family (wife/preschooler) looking to rent land on which to build/live in a Tiny House - Would be minimal footprint and house would be completely portable and most likely for Sale upon completion.  
 I really look forward to the opportunity to talk to you about this project - and the future of this movement.  
 Please give a.
