Prog.-Rock/Indie-Rock band in search of a drummer and a vocalist.

Vocalist should willing and able to write lyrics, have some stage experience and relatively skilled. If you own a PA rig and microphone(s) it would be a definite plus, but not required.

Drummer needs to own a functional kit and be relatively skilled.

Both need to be reliable and able to practice at least once per week.

Our influences include, but are not limited to The Chariot, Funeral For A Friend, Brand New, Have Mercy, Porcupine Tree, Manchester Orchestra, Dream Theater and Alexisonfire.

We are still in the writing process, with a ton of ideas floating around! We hope to be stage ready in about six months!

Please, check out our short demo/collage thingy on SoundCloud!
