TELECOM SALES- BUILD A MONTHLY RESIDUAL INCOME!!!

"COMMISSIONS ONLY". . . but the Earning Potential is HUGE!!! (I have done this 30 years!)

You now have the opportunity to become a TELECOM AGENT (CONSULTANT) that can provide telephone and internet service to any commercial business in your area, nationally, or globally for ALL THE CARRIERS. If you are a good salesperson, you are golden! If you have IT, cabling, interconnect, hardware or software experience, you have a huge advantage.

You can offer ALL CARRIERS SERVICES, and "PRICING IS IDENTICAL to the DIRECT CARRIER PRICING!"

CONTRACTS ARE EVERGREEN!! AS LONG AS THE COMPANY STAYS WITH THE CARRIER YOU ASSIGNED THEM, YOU GET PAID FOREVER!!!

Training is done by webinars and some locally, if you prefer to meet people and get a free lunch.

FACTS: Pricing is IDENTICAL to the DIRECT CARRIER PRICING, or there would be a war between the direct reps and us, indirect reps. Direct reps make a one-time commission and move to new accounts, so customer service is poor. You make a monthly residual, so you have an ongoing interest in the customer. Commissions come from the carrier, not the customer. Also, you can suggest various options, whereas direct reps only suggest one carrier. Customers like this!!

Being Upfront: 1. Commissions only 2. You furnish your own leads 3. Commercial businesses only

It's simple. . . if you work, you can make a lot of money. While I am on vacation, I am making money!!! I have done this for a long time and love it!

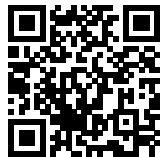

Leave your name and phone number and I will call you.

Thank you. David
