

Joomla Help (Vermont)

Location **Vermont**
<https://www.genclassifieds.com/x-331293-z>

I need someone to help me work out the bugs on my joomla site. I am not comfortable with tech stuff so I could use you on going for work sample updates and new pages.

Right now I cannot for the life of me figure out how to get my resume to show up even though I've got the jpeg in the image file.

Hope you can help. Pay is whatever fair for both of.
