

## Con Classification Local College Studesnt Needed for Web Design and Coding (Burlington)

Location Vermont https://www.genclassifieds.com/x-331294-z

Local company is currently seeking the help of a local college student interested in adding to their portfolio by updating and redesigning our website, along with possibly a mobile ap. Our website is interactive and high traffic and would be an excellent addition to your portfolio. We are currently accepting resumes and portfolios to review for this paid position. (compensation to be discussed) Please reply to this post with a copy of your resume and links to any work you would like to be taken into consideration for this position. Please make sure your contact information is up to date. We will be contacting potential designers for a face to face interview and to discuss compensation. Again, we are looking for local college students only.
