Hey folks.Ive always wondered just how much money could be raised if everyone who saw an ad would donate just a \$1.Its kind of an experiment but all money raised will go directly to The American Cancer Society.Not only is this a test it's also for a good cause.Im just asking for \$1 but feel free to give whatever your heart tells you to do.Ive lost 7 immediate family members to cancer and I am just giving back to something that took so much from me.

The Go Fund Me link is below.Thank you and let's grow this thing!!
