

Jr. Techs Needed for 10

Location **Texas**
<https://www.genclassifieds.com/x-331418-z>

Our company is seeking Jr-Level Technicians who will work with a client Build Integration Team, completing data analysis on server data. Applicants must have knowledge of servers, including computing components. Daily tasks will include: analysis of data for server dumps, and provide information to governance team on any missing data. Must have experience utilizing Excel, and general server knowledge. This position does not require hands-on experience working with servers.

Start Date: ASAP upon completion of client on-boarding procedures:

- Criminal Background Check
- Drug Screen
- Fingerprinting

Base Location: Irving TX 75039

Duration: 10 Months

Work shift: Daytime Business Hrs (Mon-Fri)

Skill Set Requirements:

- Must have Server knowledge
- Must be able to communicate clearly and effectively for daily reporting
- Must be energetic with a positive attitude
- Ability to work in a business professional environment
- Ability to work independently
- Ability to follow verbal and/or written instructions
- STRONG organizational skills

- Time management skills with meeting timing assumptions of project

- Moving quickly efficiently through a client's environment

- Ability to complete tasks, present requests, and work professionally to the end user

On-boarding elements include completion of on-boarding process, a criminal background check, drug screening, and fingerprinting. All take about 2-3 weeks for completion.

If you are interested in this opportunity, please submit your resume in WORD or PDF format, along with the best time and contact number where you can be reached.
