Hello,

My fiance' and I are looking for a wonderful nanny/babysitter to care for our soon to be 5 month old inside of our home. We prefer someone who can supply references, have experience with infants, CPR/first aid certified, have own transportation, honest, and dependable. We also want someone who have reasonable prices. We want someone who is looking for a full-time position. If this sound like a job for you, please feel free to contact me via phone or email so we can set up an interview. I am looking for someone to start.
