Hello,  
 I'm the owner/operator of Little Ladies Daycare.  
 I'am a "stay at home mom" looking to care for children ages two or older.  
 Right now I am currently caring for two little girls ages two & three and my own daughter age six.  
 One more child around this age would complete our little group!  
 I am a college graduate with a license in Aesthetics and a former preschool teacher.  
 I have many years of childcare experience with EXCELLENT references, finger print clearance and a full background check.  
 The children are cared for in my home which is in a nice guard gated community.  
 We have a huge playroom with lots of age appropriate interactive toys and games.  
 Everyday we do learning activities such as letters, numbers, shapes, music and phonics.  
 The children also have there very own computer with lots of interactive games!!  
 We balance the day out with fun playtime & fun learning time.  
 There is NO T.V .....so you can feel comfortable leaving your child in my care and you will know they are in a safe environment
