MUSIC PRODUCTION FOR \$100 & BELOW

Are you looking for someone who knows what they're doing to produce your next single, album or EP? I can help!

I'm an experienced producer with a wide style range (pop, rock, EDM, metal, rap, hiphop). I write custom instrumentals with your ideas at an affordable price to help you aspiring musicians get professional quality sounding songs and mixes!

Services offered and rates (PER SONG):

- Instrumental music composition and production (includes everything below): \$100
- Mixing AND Mastering: \$75
- Mixing: \$50
- Mastering: \$50
- Vocal editing / pitch correction: \$50

Samples of my work can be found here:
