I have a brand new in box nexus 6 64gb blue that is the Google play store version. I have all accessories, case and screen protector. I am looking for a T-Mobile or unlocked black note edge. I'd also accept a HTC one m9 T-Mobile or unlocked or a xperia z3 T-Mobile variant. Please don't offer me a phone that's on financing. I will verify that they aren't on financing prior to trading. Call or.
