Trying this again. . .

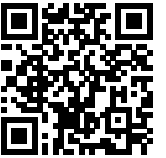

It's been years since I produced new work and I also haven't produced anything since moving to Alaska so I would like to change that. For this shoot I'm seeking an adult female model to work with/collaborate with on an early morning, sensual/intimate style shoot. The kind of thing you'd see maybe in a Suicidegirls picture for example. The theme is a girl in a singular intimate location in various stages of undress. While images can have a seductive nature to them, I'm hoping to go more for a sensual look. Something a little more subtle, soft, and meaningful to communicate an idea of elegance and maturity in sexuality. Goal is to create and express a feeling of sensuality, intimacy, comfort, beauty, and sexuality in a tasteful manner. This is not pornography.

To accomplish this I have talked to a local hotel for a discounted rate on a suite to be the backdrop of the shoot. Ideally I'd like to shoot early morning for a few hours(about 3-4) and use natural light as it's very soft, directional, and easy to use. I would also like to use a combination of 120 medium format film, type 600 Polaroids, and digital slr as my clean looking back up. It is my feeling that older, imperfect film offers a more rustic, sensual, and honest feel to images and works well with my theme.

Ideal candidate should be a model who is proficient with doing their own hair/make up, can work with me on outfits, is comfortable in various stages of undress ranging from implied nudity to partial and full, and is comfortable with posing themselves with little direction so I'm not wasting time barking orders at

someone. I'd like to find someone who can check and respond to email regularly up to the shoot date as well as be able to work with me. If you are interested, please email me with your details. I will be looking for this type of person does not comply with our policy of no contact before the shoot. The location and details have been worked out and I am looking for someone who is interested in committing to the project from beginning to end. I am looking for desire.

For your time I'm offering \$100 for 3-4 hours. I am willing to negotiate a little on this depending on circumstances. If chosen I would like to send you a copy via email of the release form to look over before the shoot and approve or alter if need be, so day of the shoot you know what you're signing. Shouldn't have to be said but because people have asked please know escorts are welcomed and strongly encouraged to come and help out. So please feel comfortable to bring someone. If you are interested

please respond back with why you're interested, any questions/concerns you have, your availability, and any examples of previous modeling work you may have or at least a photograph of yourself so I know who I'm photographing.

Thank you and I look forward to working with you and creating some new work to post.
