I am warning if you shop at the chain Living Spaces you WILL BE SORRY!! The products are so so and the customer service is NON-Existent if you have a problem. I bought a mattress here and their policy is once you pay they wash their hands of it! SHOP AT MACYS, they give you a 65 day return/exchange policy. The mattresses in the show room at Living Spaces are not representative of what you will receive. But too bad you spend your hard earned cash and your stuck with it!! The CEO Grover Geiselman will not accept phone calls or mail and couldn't careless as long as he get his \$\$\$
