

Contract Civil Draftsman (Bentonville)

Location

Arkansas

<https://www.genclassifieds.com/x-331945-z>

A civil engineering consulting firm in Bentonville is seeking a CAD Technician to join our team. This position will be responsible for performing drafting assignments for design projects, such as: water and sewer main extensions, streets and storm sewers, and subdivision plats.

This CAD Technician will be led by the Project Manager. The CAD Technician must work well with the design team and have strong communication skills.

This is a contract position for 60 days of work, but could lead to a longer-term opportunity. Please send a resume by e.
