To be fair the buyer, it is best to to met up at a local McDonald, Starbuck or Barnes & Noble Bookstore in the Claymont area as I work close by. Of the 3, Starbuck, the bookstore, and the library have a bigger bandwidth for browsing the internet. I think a convenient of Claymont Public Library is a wonderful place. The reason being is that all three places have tables, chairs, and free wifii where you can comfortably test the laptop and all the equipments. I want you to be able to see the laptop is fully functioning.

All the above for the price of \$700. Price is negotiable!.....A great.
