

Miracle Polishing Cloth

Location **Washington**
<https://www.genclassifieds.com/x-332085-z>

Local pick-up preferred, but will ship by USPS for \$1.00 additional, each. IMG_2371

I have about 60 of these in a box, to sell.

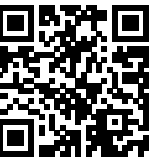

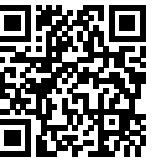

You can buy these on-line for \$8.95 each + shipping. I don't know why the web site (miraclecloth dot com/) says it is a NEW larger size. They have always been this size.

The Miracle Polishing Cloth can be used by anyone to clean almost anything. Will not leave sediment in crevices or wear off varnished or enameled surfaces. The formation of rust or tarnish on metals after being treated with Miracle Polishing Cloth is considerably retarded, as the protective chemicals and waxes in the cloth penetrate into the pores of the metal and leave a wax coating, thereby causing the polished surface to retain its luster for a much longer period of time. Removes scuff marks from floors. Removes bad corrosion from metals. Removes alcohol, water, ink and heat stains from furniture, etc. Removes surface scratches from furniture, enamel, and silver Removes burn marks from electrical appliance, porcelain stoves, etc. Removes paint spots from metal, glass, porcelain, tile, and varnished surfaces. Removes rust stains from bathtubs, wash bowls, bumpers, trim, wheels, and hub caps. Cleans, polishes and protects all motorcycle metals, aluminum, chrome, magnesium, stainless steel, nickel, brass, silver, removes rust from chrome, oxidation and pitting from aluminum parts and boot leather burn from exhaust pipes. Polishes without scratching any ferrous or non-ferrous metal, any precision metal product, any die mold or machinery, also removes rust and discoloration and perfect for removing heat

caused bluing. Removes road film from glass and metals. Polishes all metal and wooden instruments and tools and dynamometers. Removes road film from violins. Cleans lacquered instruments with metal. Cleans waxes on wood and enamel paint and removes rust and corrosion from the metal. Cleans and tackles motor parts, and motorcycle motors. Perfect for cleaning brass and earthenware. Removes burn rings from metal and plastic. Cleanup on machine rifles and shotguns. Leave a sparkling finish, is inexpensive and long lasting. It cleans, polishes and protects. Now with Coconut scent!

Use hundreds of times without replacing!

They really
