I am a SHM looking to care for one more kiddo. I have two kids myself who are almost one and almost two. I will be able to watch them at my place. I have lots of toys for them to play with along with my children. I also have a yard that they will be able to play in if the weather allows us to. I usually charge a flat rate of \$150 a week. Please fell free to contact me with any further. :)
