

Rideshare NOLA (2 USD)

Location **Louisiana**

Hi everybody,
 I'm a traveler who is doing a roadtrip in the US. I started in Canada and drove down the East-cost to Miami. Currently I'm in New Orleans and I want to go to San Antonio (can drop you of anywhere on the way) on Thursday. I'm looking for good company as I've been traveling alone for the last month - boring. You can bring your own music and some cash for gas. Texting for details should be the easiest option. Let me know if you're interested.
 Cheers,
 ;)
