I can't help anyone financially but if you need affordable help with anything, anything at all, I'm young, strong, smart and willing. I do a lot of work around my parents farm and have a part time job in the evenings but still have plenty time to help you.

I always work hard and take pride in everything I do. I do have a truck, moving blankets and enough straps to hold it all down. I can haul things as well. I have a dolly and many other things to make things easier.

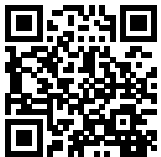

Email call or text me with what you need help with and I will get back to you as soon as possible. If I'm unable to answer, leave a message.

Thanks and have a wonderful day/night
