Location **Iowa**
<https://www.genclassifieds.com/x-332667-z>

Ride offered East (and South) out of Northwestern Montana towards the Florida Peninsula, departing (approximately) the morning of Wednesday, April 1st with room for ample cargo in a Toyota 4Runner. I'm asking about or slightly less than half gas and excellent conversation for whatever portion of the odyssey you choose to partake in. Assistance in driving would be grand but is by no means required.

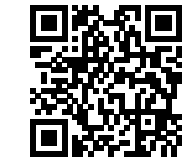

This will be a Bonsai charge east and south. All intermediate pick up/drop off points are on the table, the most accessible of those regions being:

Glacier Area, Great Falls, Helena, Billings, Rapid City, Sioux Falls, Sioux City, Omaha, Kansas City, Springfield, Memphis, Birmingham, Atlanta, and All Points South.

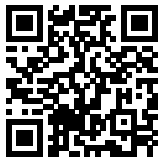

My name's Paul; I'm a younger railroad conductor in Whitefish, MT. Please contact me via phone/text @ 954-Three-O-Nyne.
