

Host an International Exchange Student (Eastern PA)

Location **Delaware**
<https://www.genclassifieds.com/x-332691-z>

ASSE International Student Exchange Programs is looking for Host Families within your school. We would like to invite you and your family to host one of our students!

Our students are between the ages of 14 and 18 years old and will attend the 15/16 school year. They come with an enthusiasm to learn about America, to share their culture and would like to be treated like a member of your family. They are fully insured and bring their own pocket money. Our students stay for either a semester or for the entire school year.

If you and your family are unable to host, perhaps you know of some families that would like to welcome a student into their home and family. Hosting an exchange student from another part of the world is a life changing experience and will help build a lifelong friendship. Create lasting memories and new family bonds by helping us support the young leaders and ambassadors of the future.

To start the application process, please visit www.host.asse.com to complete your online application: ASSE host family application and a local Area Representative will be in touch with you shortly. Should you have any questions, please do not hesitate to contact me at this email or call Linda at

****If you are unable to host a student, consider becoming a local Area Representative to help us find homes for our wonderful students. Area Reps receive a stipend in the amount of \$700 minimum per placed student.**

It is a delight to welcome you to the wonderful world of international students!
