GenClassificals.com

Hiring experienced wedding, party, and event DJs (Orlando)

Location **Florida** https://www.genclassifieds.com/x-332764-z

We are a well established DJ company that is expanding to Orlando area. We are looking for experienced event DJ's that would like to make a little extra cash on the weekends. Must have your own equipment.

A person with great personality, song knowledge, experience with all types of events, and isn't shy about making intros and announcements will get the job.

If you know Spanish fluently, that would be a huge plus.(in addition to English)

We pay 60% of the gig amount plus a 15-20% tip of the total amount of the.
