Hi guys! My name is Eric. I'm a 20 year old guitarist from Kauai, Hawaii. I'm the ex - lead guitarist for the local band Paradox Lockdown (Who are now in California check them out). I also play for a small band called Existence that plays in the Jam Room every Friday in the Kukui Grove shopping mall. If any of you bands out there need a rhythm/lead guitarist whether to record, gigging, or even a jam session partner I'd be glad to be one for you (I lean towards more to rhythm guitar). Thank you!
