

## mount cement screws (north o)

Location

Iowa

<https://www.genclassifieds.com/x-332896-z>

Hi. I bought an outdoor railing for my steps. I have 2 mounts that have to be screwed into the cement stairs. I have the screws but don't have the proper tool to drive them in. 2 mounts With 4 screws on each. Can pay but not a whole lot. \$20 sound fair? Call me to schedule a time.
