Henny slipped out in the early morning on Wednesday, Sept. 17. We live on Chestnut Ave. near Green St. in Jamaica Plain. If you live anywhere in JP and have seen a cat that looks like this one, please let us know. We will respond to all reports. If you have taken him in, PLEASE let us know - we want him back so badly (no questions asked). Even if you found him deceased, we would like to know, just so we can have some peace of mind.

He's a 13-year-old neutered male, with extra toes (polydactyl) and answers to "Henny." He's an indoor-only cat and does not have a collar or microchip. He is very skinny and needs medication! Very sweet -- will not scratch or bite.

Please call or text or any time if you see him! (We love him so much and miss him terribly...thank!!)
