Hi there!

My name is Lindsay, I'm 24 years old, and I live in Brighton, MA. I currently work full-time as an office coordinator at a busy real estate company. I am interested in finding a family who needs regular week night (after 6pm) or weekend care (preferably day time but negotiable). I am looking to find something in the Boston area (Brighton, Allston, Brookline, Cambridge, Watertown, Newton). I have 10+ years of experience with all ages. I nannied for two separate families for 3 years each, as well as another family for 1 year, in which I also performed household duties and errands. I also have many families that I worked for on an as need basis. I'd be happy to provide you with a list of references upon request. I can also provide you with my care.com and sitter city profiles. I look forward to hearing from! :)
