I am a fun loving, energetic, dependable mother of two with 2 openings available in my small home daycare for either part time or full time care.

1 opening is available for a child aged 12 months to 6 years....full days....full or part time.

1 opening is a before and after school opening for a child aged 6 years to 12 years who attends a full day of school.

I have over 20 years of experience with children of all ages from infants up thru school age.

TENDER LOVING CHILDCARE provides:

*Piece of mind for both parent and child - I work hard to maintain a "home away from home" feeling for both you and your child so that your child will feel safe and secure and you can rest easy knowing your child is receiving the best possible care.

* A small group atmosphere that ensures that every child will receive all the one on one attention they need and deserve.

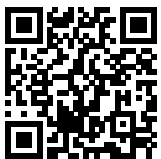

* A structured setting with activities that are both fun and educational. I focus on everything from the basics, such as letter, number and color recognition to memory and motor skill development. We also have a lot of outdoor activities.

Discounted rates for families with more than one child.
 *Before and after school care is also available. I am in Troy 306 School district. Please email or call for more information. Assigned schools are Troy Hofer, WBO and Troy Middle School.
