## Guitar Lessons from an Educated Musician (Lewiston, Brunswick, New Gloucester)

Location Maine https://www.genclassifieds.com/x-333409-z

I have recently relocated to Maine and I am offering guitar lessons of any style. By the summer of 2015, I will receive a Master's degree in music performance (classical guitar) from Syracuse University (pending 2 final requirements). The best teaching tool that I have is the cumulative amount of knowledge from ten years of education/experience. This includes numerous public performances, masterclasses, participation in music festivals, and teaching. My teaching approach depends on the student's needs and goals. A detailed resume and references are available.

-Lessons may take place at your residence or mine. Please inquire about rates.

-All ages, styles, & levels are welcome!

-You'll also learn about music history and theory

"Music is a moral law. It gives soul to the universe, wings to the mind, flight to the imagination, and charm and gaiety to life and to everything." -Plato
