

Summer Living Needed (auburn)

Location **Maine**
<https://www.genclassifieds.com/x-333985-z>

We are a nice, easy going,employed, quiet, non-smoking couple that is looking for a room or place to rent for the summer (3 months). We could pay at most \$450 a month and would really like to live close to Auburn so we can be close to our jobs. We don't take up much space and are very easy to live.
