

14kt White Gold Wedding Set (2000 USD)

Location **Nebraska**
<https://www.genclassifieds.com/x-334016-z>

Purchased and appraised at Riddle's Jewelry:

One ladies, stamped 14kt white gold wedding set. Mounted in the center in a 14kt white gold six prong crown is one brilliant diamond with an approximate weight of .50ct, a clarity grade of I1, and a color grade of K. Mounted in white gold three prong settings are two round brilliant cut diamonds. Mounted in white gold channels are round brilliant diamonds down each side of the double bands (total of 16 round diamonds in channels). These double bands have an approximate weight of 1/4ct, a clarity grade of I1, and a color grade of HJ. The wedding set has a high polish finish. 4 years old. Very minor wear on back side of band. Asking .
