I have a Sony Bravia 32 inch HDTV for sale. It's in remarkable condition, not glitches with the video quality or audio. The same applies to the ports. It has 2 HDMI ports, 1 RGB, 1 set of audio ports, 1 set of HD VGA ports, 1 optical digital port, 1 PC In plug, 1 audio out plug and of course the cable plug. This TV has been taken care of very well. Comes with original remote control. Willing to negotiate.
