Experienced mechanic available for any issues or repairs needed, most work can be done on location!
my schedule is wide open on sunday and through the week, i can start as soon as 7 am and i work until 9 pm.
15 years of experience in automotive repairs and maintenance. i can also get the parts you need at wholesale price to do the job, from big to small problems. if needed i also have shop space to do major jobs, towing service as well if needed to get your vehicle to the shop.
my labor prices are less than HALF of most shops in the triangle area. i also stand behind my work so if there is ever an issue with my work i will fix it for free same day.
my schedule books quickly so please email me with a brief description of your cars issue, location and contact info and i will get back to you within minutes.
i also provide transportation if needed.
thanks for reading and i look forward to hearing from you.
