## REWARDDOLLAR TREE HAZELDELL PUPPY THIEF

Location Oregon https://www.genclassifieds.com/x-334567-z

On Friday the 13th approximately 6pm in the parking lot of the DollarTree in hazelldell, some sick waste of a human broke into our car setting off the alarm and proceeded to steel our 10 week old baby pitbull and ran across the parking lot to what was described as a smalcrappy wagon style car similar to a old Subaru wagon or Toyota wagon/hatchback type of car that was described as red or maroon colored and sped off with my dog. I will give whoever comes forward with my dog or info leading to the finding of him \$200 no questions asked. Please note that if you stole this dog, you stole my kid to me and you might want to think about \$200 making your day a little better by contacting me and giving me my dog, or I can find you and \$200 is about the last thing you'll get from me. Either way I will get him back sothink about.
