FOR SALE: Tanglewood Pioneer (LP Style) & Tanglewood Tomkat (PRS Style) Guitars

PRICE: \$300ea OR both for \$500

Selling my very rare Tanglewood Guitars. These were part of a special Millennium edition Tanglewood did at the turn of the Century with a very limited amount produced. Tomkat and Pioneer editions (specs are on last photo directly from the catalog).

Guitars have minor wear and the usual blemishes/very light scratches as they are older and both purchased from different music shops over in the UK. The Pioneer has upgraded Iron Gear Alchemist and Rolling Mill Pickups, very tasteful and clear.
