Hi, we are Amy and Jonathan. We are a loving, laid back, peaceful couple who wish to expand our family through private adoption. This is not an opportunity for the birth parents to make money. We have everything a child from 0-4 years old will need, and hope to adopt that age range. We are accepting of any race or gender.

The decision to adopt is a very special one for us. It feels natural to us. choice. It's our every hope and dream to become parents through adoption and will provide a loving, nurturing secure home for your child.

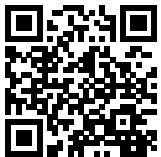

We are open to a semi-open adoption, which will include photos of your child, possible videos of your child, and updates on how your child is doing during the transition from where they live now, to their new loving home, and learn how they are doing in school.

Please let us know if you are seeking new adoptive parents to adopt your.
