*** Please don't flag me! I spent a lot of time making this thoughtful post and I'm trying to find families for my puppies ****

Our adorable Chihuahuas have had a litter of puppies. We are not going to keep any. They are adorable and happy 5 week old Chihuahua puppies!!! Both parents are here for you to meet. Very good temperaments and excellent with children. (We have twin 6 year olds!) Well socialized and love to play. You must be able to spend quality time with your pup, as these little ones depend on combatant attention!! We have four puppies for adoption :

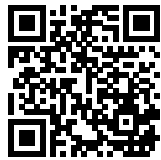

1. Bella - Super loving & the only girl. She is the smallest at less than 1lb still. Black short hair, very smooth coat.
2. Ringo - Such a cute little fur ball! He has a long chocolate and white hair coat. He looks like the largest pup but that's just 'cause he is so furry! 1lb
3. Hershey - My sweet all chocolate puppy is so cute, you'll want to eat him up! He has a beautiful all Brown coat and big Brown eyes. 1lb
4. Midnight - Our largest little lover has a smooth all black coat with small Brown markings on his paws reminiscent of a min pin. At almost 2lbs, he is the largest of the litter.
