National property Inspections is now up and running in southern Montgomery County. Residential and commercial inspections with radon and WDI(wood destroying insects) add ons performed by Steve Ballasy(Steves Home Services LLC). I have over 26 years experience in the construction and remodel/repair industry. I bring that experience, along with excellent customer service to my new business.

Real estate agents as well as individuals looking for a reliable, insured home inspector, should give me a call.

My rates are reasonable and reports are easy to read and available within 24hrs via e-mail.

Steves Home Services dba National Property Inspections.
