You might have heard of the Craigslist Pet Sitter Arrested recently... This should be a good example not to hire cheap inexperienced sitters in your home... (You will find a lot of those on Craigslist)

Reminder This is NOT Craigslist fault.

However,

If you're looking for a professional, thoughtful, well-trained Philadelphia "suburbs-based" pet sitter, Sitters 4 Critters is a dream come true! Sitters4Critters has been providing Pennsylvanian and South Jersey residents with alternatives to kennel boarding since 2013. Our professional pet sitters cherish, cuddle, run, and play with dogs and cats in their own private homes, or exclusively in guest houses in the Philadelphia and South Jersey region. Whatever works best for you and your furry friends, Sitters4Critters delivers!

We offer daily dog walking, pet sitting, house sitting and more!
