Hello!

I am an experienced house cleaner with 6+ years of scrubbing under my belt. Happy references from summer cottages all over Michigan! I am looking to expand and find a few special clients to give the gift of a clean home. The feeling you get when you walk into a freshly cleaned, smelling good, dust-free home is PROFOUND and I believe that everyone deserves to come home and relax! It makes me happy to be able to share this with you :)

I am detail-oriented and thorough, but I also like to challenge myself to finish tasks quickly and time efficiently. My favorite jobs are the real hands-on scrub-offs. I specialize in bathrooms and kitchens and always leave them sparkling. I enjoy jobs that require me to multi-task, juggling many smaller tasks as I work towards accomplishing the big goal. I take pride in my work even when no one is watching and would never 'sweep things under the rug' so to speak.

Your needs are number one-- and no task is too big nor too small. I understand the complications that our loved animals can bring to the household chores, and I am well-schooled in removing dog fur/cat fur and restoring homes to a fur-ball free zone.

Email me if you are interested in scheduling a meet-up and a clean! I am extremely flexible with times and places, and will take as many jobs as I can get :) Thanks for reading!
