

Bassist Needed for Jazz Standards (Burlington)

Location **Vermont**
<https://www.genclassifieds.com/x-334901-z>

We have a group of players getting together occassionaly to play Jazz standards. We've got vibes, guitar, drum kit, congas, tenor and alto sax. Looking for a bassist, upright preferred but not required. Playing songs from the real book so you'll need to be able to follow charts. I can provide a link to recordings if you want hear what we're doing. Give me a shout if you're.
