Hello if you know anyone renting a room cheap please let me know, I can pay \$350 .I don't mind pet's or helping out with cleaning. I would be spending most of my with family. Wouldn't be home 3 days aweek! Long-term For that I think 350 is reasonable. If you know of anyone please let me know.looking to move May to give current landlord notice, I pay my rent first of the month if not earlier. Never late. I'm very quite, I love kids not looking to share a place with them.I know how loud it can get! Lol I'm clean have my own things ..No problem sharing a bathroom, smoking outside is good ,I don't smoke . I'm a 51 yr. Old Christian female . Very down to earth. Need a place closest to Thompson Station as possible living in the area now , hoping to find a clean environment no drugs or party houses :) Thank!
