After spending days, weeks, months, years with my two puppy's whom I still have I figured I could offer my enthusiasm and dedication to folk's who may like someone to spend some quality time with their puppy. I have a fox and rat terrier who are my lifelong pals. I caretake for a women who owns two-amazing jack russells on her 80 acre property in the Stratton area. She plays golf everyday I take care of everything else. If you would like someone to stop over and spend some time with your puppy I'm your dawg loving friend. I can spend as little or as much time with your puppy or puppy's. I as well as walk and exercise I am really good with bonding and communicating with animals dogs, cats, ect. Consistent time spent with our pets goes a long way with their character, demeanor, and over-all happiness. The more we give to our pets the more enjoyment they provide back and we really get to learn the traits of specific breeds. I currently just have 2 dogs and a Maine coon cat though have had an Abyssinian, blue point Siamese, and other very fine breeds of animals. The two terriers are my mom but have become my dogs throughout the years. I bring em swimming hiking car rides and we share bagels's everyday. I'm in the market for a larger breed in the near future. In the meanwhile these are great. If there's something I maybe able to help you with please be in touch. My name is Jeremiah my cellular phone is please call me at your convenience. I am willing to travel within reason to accommodate.. Thank's for your time talk soon Jeremiah Beck.
