

Virtual Assistant and Bookkeeping (Anywhere)

Location **South Dakota**
<https://www.genclassifieds.com/x-335529-z>

I own a business that offers bookkeeping services to small businesses. I have been in business since 2011, and have about 15 years experience with bookkeeping and administrative services. I have a team of experienced associates that are able to assist with all of your bookkeeping needs.

We specialize in start-up companies and organizing messy books and are knowledgeable of QuickBooks online and desktop versions. We work off-site from a home office.

To get started, call me at
