Hello my name is Jason and I am moving to Casper for work over the next 8 months to a year. I'm moving there in my brand new 34 ft travel trailer and I'm looking for either an RV lot, a vacant pole barn with power, or just someone with extra space that could use some additional income. Its just myself and my dogs. I'm 32 years old, very clean and very quiet. I don't drink or use drugs and Im coming to Casper for a great job opportunity so payments will never be an issue. I mainly need electricity to plug into. Sewer hookups would just be an added bonus as I will be hauling in water to use and plan to shower each morning at the gym... I'm open to any and all possibilities so if you think something might work please contact me at any time! I plan to arrive in Casper one week from this coming Monday. I believe that's April 13th. Again, Im just a quiet, hard working, easy going guy looking to find a good place to lay my head at night... My dogs never bark and are some of the friendliest, well trained dogs out there. You will probably never realize they are there! I will also take them with me to work most days. On a side note I am very handy in most areas of construction and would be thrilled to trade out work for rent! If you think something might work or have any questions please feel free to call or text any time. Thanks for...
