Childcare provided in my SMOKE FREE home. South side of Menomonee Falls (very near Brookfield). Your child will receive individual loving attention in a calm yet stimulating environment. I have 25 years EXPERIENCE AND TRAINING, including Early childhood 1&2, Infant and Toddler Care, Director and Administrator courses, Special Needs Care, SIDS, Shaken Baby Syndrome Training, and CPR. I also have numerous hours of continuing education in the field of child development. I am qualified to be a director of a commercial childcare center with 51 or more children, although I have no desire to do so. I believe children thrive best in small groups with nurturing attentive caregivers. I enjoy exploring the wonders of our world through the eyes of young children, be it through reading, songs, arts and crafts, sensory exploration, imaginative play, or field trips. I will provide you with EXCEPTIONAL REFERENCES. I am very reliable, willing to undergo a background check, and available FULL TIME Monday through Friday 6:30am-5:30pm. Children with special needs will be accepted only if I am able to accommodate them w/o hiring extra help or needing to purchase specialized equipment. If special equipment is provided by you for your child then he/she will be considered on a case by case basis. If you have questions, please ask by calling

If you respond via e-mail, please leave a contact number I can reply to. I will not respond to emails without phone numbers..
