Hi, I'm a friendly 21 year old college student looking to earn some extra cash by babysitting or being a Nanny for the ages 2-8. I have experience with that age group, so it is preferred. I attended school for early childhood education, so any experience for me is good experience. I drive, and have a license with insurance.

I am usually free mornings 7am until 4pm Monday through Friday and 7am until 9pm weekends. My rates are \$8 a hour per child, \$8.50 a hour per child on weekend nights. I cook and clean as well and love going to parks, museums, the zoo and doing arts and crafts.

If interested, I can turn into a permanent babysitter for you or I can just be someone you call if you need a night out or something came up that requires a babysitter. You can contact me by email or phone (text or call)
